RECREATION DAY 1965

What a tremendous day, and what wonderful memories! Everything went smoothly. It was only pleasant moments! It was a day that so many of our young-uns were still playing in the dust of the streets during that day! Parents had the opportunity you had (without any money) to bring your children to the playground of the Edmonton Play-ers who entertained our children in such a marvelous way. We took some minutes off to "take" our kids to the playground and will be under supervision of the playground leaders and where

they will have lots of fun and enjoy-ment. Please your Recreation Director if you want to know more about it. (Town Hall, 5th Floor) Give your children many pleasant summer holidays with- out any cost!

Journal, Meeting July 29, 1965

the old sewage lagoon for the purpose of providing a site for the construc- tion of a greenhouse, received first reading. Mayor Richard Fowler was quite interested that the advice of the Town's Engineer, regarding the access road to this lagoon, takes so much time. Mr. Fowler, who will build this green- house, needs badly the Building permit, to let this job move on time before the winter.

ficer was referred to the Public Works Committee.

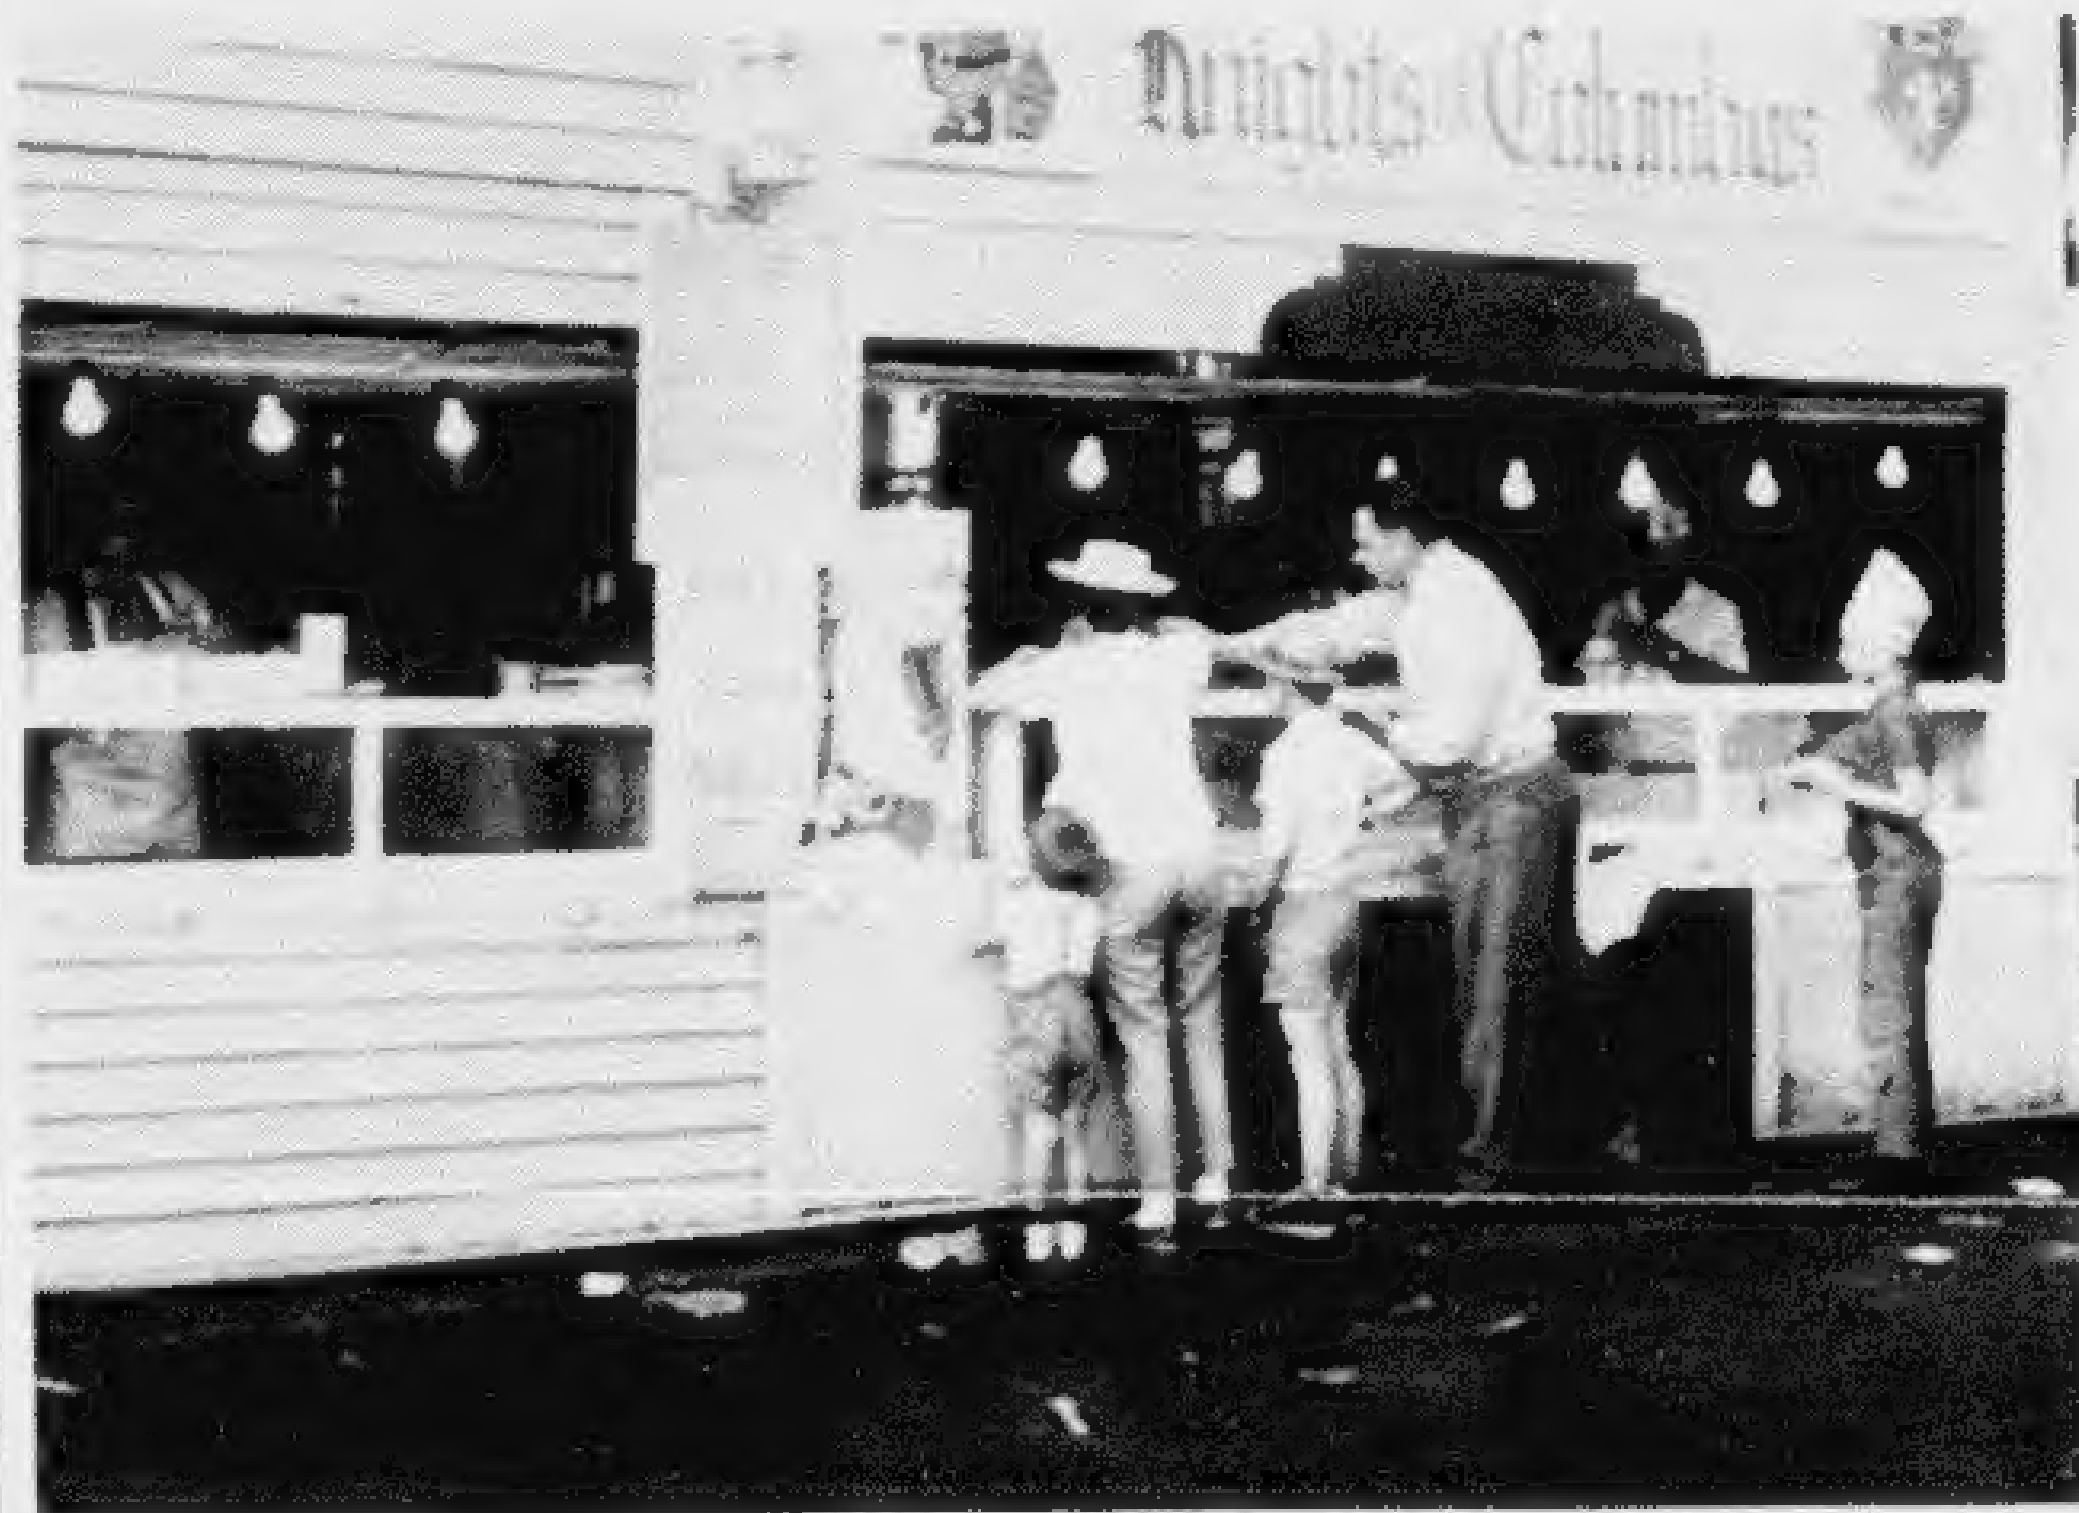

Closing Garnett and Brange Drives - A decision regarding this matter was tabled for the second meeting in August 1965. **Budget** - The fourth draft of the 1965 Budget was presented to Council and accepted, with Councillor de Bruijn opposed. This draft will now go to the Local Authorities Board for approval. Mill rate for 1965 will be 56.5 (last year was 55).

Appeal to Council - An appeal from Mr. C. Bourne, 9 Granite Avenue, against the decision of the Development Officer was brought before Council. Mr. Jimmy Roberts, Development Officer, explained to Council that the Bourne brothers have the intention to start some busi-

ness at 9 Granite Avenue, consisting of preparing food (sandwiches, pies, etc.) for their mobile catering business. "They do not have a business license", he said, "and are not allowed to operate this kind of business in a residential area." "I also believe", he stated, "that such a business should be controlled by the Sturgeon Health Unit." Mr. C. Bourne, appearing before Council stated that they do not plan to cater in St. Albert and that they will not compete with any restaurant in St. Albert. "Our sales are in Edmonton," he said. "We only want a temporary permission to use our house for wrapping the sandwiches." Council decided to follow the Town's policy in this matter, which means that Mr. Bourne will receive the permit to operate until December 1966. After this date, they must move their business to the Industrial area in town.

ATTENTION!

No Gazette on August 7th and 14th. As the motor can not always run, we will have to take some holidays during the next two weeks. There will be no issues during that time. The next issue will be on Wednesday, August 18th. Please send all your copy advertisements and ads for this issue to 411 46 St. Albert Gazette. We hope that all of you will attend Rodeo 11th and 14th to support our Kiwanis as much as possible, especially after all the troubles they have had in the past. We hope that our holidays may give us new ideas and spirit to start with a fresh mind and an open eye on August 18th. We wish all our citizens many pleasant holidays, at home or anywhere (with lots of sunshine).

"KIDNAPED" KITCHEN SUCCESSFUL

The Knights of Columbus, St. Albert Council 4742 completed their first attempt at a concession booth at the Edmonton Klondike Days Exhibition in a successful manner. More than \$500 net profit was realized for their efforts. The funds will be used to aid the town

of St. Albert's recreation program. The initial outlay for equipment and supplies reduced the Council's estimated earnings, however the executive feel that future years will prove to be more profitable. The St. Albert Knights of Columbus would like to express their thanks to the many volunteer workers whose assistance aided greatly to the success of the concession.

St. Albert Residents:

The October 26, 1963 edition of this paper carried my message of thanks for your support in my election as a Councillor. It is now a greater pleasure and honor to say publicly "Thank you for your support on July 7 in electing me as your new Mayor."

Your support is not only necessary in winning an election but gives me a great deal of confidence in my ability to represent you well. I pray that I may.

My congratulations and gratitude go out to all candidates in this election, and all the residents who came to the polls.

Richard Fowler.

CHERCHEZ

LA FEMME

By Florence Lefebvre

August will soon be upon us. The name is taken from Augustus Caesar, a grand-nephew of Julius Caesar. The flower of the month is the Sweet Pea; colors - Orange and Red. Birthstone is Sardonyx, Peridot or Jade; meaning - happiness in marriage.

August is sandwich month, we are told, and while on the subject we review the origin of sandwiches. Some food historians give full credit to the Earl of Sandwich who lived in England during the eighteenth century. Servants who hovered nearby as cards were played were beckoned and ordered to bring him a piece of meat between two slices of bread, when mealtime occurred at an exciting moment in the game. He did not have to convince his friends to do the same, as he sat with his cards in one hand and his lunch in the other.

We are passing on to you one of our favorite sandwiches, good whether served in winter or outdoors on the patio in summer. Our friends really enjoyed its' savory flavor, as it is filled with different ingredients we all enjoy.

-BEEF BOATS-

1 loaf French bread, cut in half
1 lb. lean ground beef
1/3 cup finely chopped onions
1 clove garlic, minced 1 tsp. oregano
1 cup barbecue sauce
1/2 lb. sliced mushrooms
3 sliced tomatoes, salt and basil to taste. 1 pkg. (8 oz) cheese slices.
Wrap aluminum foil around the crust of each half loaf. Mix meat, onions, garlic, oregano and 1/2 cup of the barbecue sauce. Spread meat mixture on each half loaf, building up sides slightly. Top with sliced mushrooms and pour the remaining 1/2 cup barbecue sauce over. Preheat broiler for 5 minutes. Broil 7-8 inches from heating unit until meat is cooked - about 10 minutes. Remove, placing tomato slices (sprinkled with basil and salt) alternately with cheese slices on top of meat. Return under broiler just long enough to melt cheese about 1 minute. Serves 8.
Baked on foil, these are easy to handle and serve. In summer serve with a cool drink and salad - for winter hot coffee. This is good as a meal or party-fore, we find. Children as well as adults like the combination, and it looks just as good as it tastes. Hope you like it as much as we do! To vary, serve on different breads or crusty rolls.

For dessert, we pass on a quick family favorite which you prepare before starting your meal.

WEDDING - FELKER - WRIGHT

The Lutheran Church of the Messiah was the scene on June 26th of the marriage between Miss Pam Wright, second daughter of Mr. & Mrs. Geoffrey Wright of St. Albert and Mr. Rudy Felker, son of Mr. & Mrs. Dave Felker of Wimbourne, Alberta.

The bride, given in marriage by her father, wore a floor length gown of peau de sole with train, the shoulder length veil was held in place by a rhinestone crown. Her bouquet was of red and white roses. Maid of honour, Miss Viv Wright, wearing cocktail length dress of pink chiffon, was assisted by bridesmaids, Miss Lynda Curry and Miss Wendy Wright, in blue chiffon. Each wore a single daisy in her hair to match her bouquet of white daisies. Holding the bride's train were two flower girls, Linda Scarlett and Heather Wright in white dresses with wide pink sashes and hair-ribbons. The Groom was attended by best man, Mr. Bob Peters, Mr. Ken Hayes and Mr. Ian Howell. The ceremony was performed by the Rev. D. Haferman who later accompanied the guests to the reception at St. Albert.

Mother of the bride was dressed in a pale blue sheath with matching jacket and beige accessories. The groom's mother wore a sheath of aqua silk with white accessories. Both mothers wore corsages of red rosebuds.

For her going-away outfit the bride chose a two-piece suit of blue linen with white accessories. The couple are now residing in Calgary.

-CRUSHED PINEAPPLE WHIP-
16 marshmallows (or equivalent in miniature)

1 can crushed pineapple
1 pint whipping cream

Add pineapple to cut up or small marshmallows. Cover and let stand 1 hour in refrigerator. Drain and fold mixture into whipped cream. Pour into dessert glasses. Chill. Serves six.

SPICES - HERBS

The basil, called for in our beef boats, came from France, which is the only place marked on our voyage where they can be obtained. Basil is a herb, available as dried crushed leaves and stems. Its color is light green and it has a pleasant, mild and distinctive flavor. Use on all tomato dishes, peas, squash, string beans, potatoes, spinach; French and Russian dressings or sprinkle over salads; bean soup, pea soup, Manhattan clam chowder, broiled lamb chops, venison, beef, lamb and veal steaks, veal roasts; shrimp, shrimp creole, boiled and steamed lobster; spaghetti sauce, scrambled eggs; souffles.

A delicious supper was served the celebrated couple and their guests which numbered 350. Their number swelled to 600 during the evening in the St. Albert Community Hall, where everyone enjoyed themselves immensely during the dance and reception. The Master of Ceremonies was Mr. Armand Savoie. Many presentations were made to the happy couple. On behalf of the St. Albert Community League, Mr. Henry Terrault, presented a gift. Recreation Board Chairman, Mr. Ricky and Recreation Director, Max Gibb are the official witnesses.

From Our Readers

We would like to commend Max Gibb and the entire Staff of the Recreation Board for the tremendous day they provided for the children of St. Albert on Saturday, the official opening of the Recreation Program for this year. Thanks must also go to those clubs and officials who participated in this event. Among these were the Lions Club, Kinsmen, Edmonton Playground Players, Barry Cooper of the Cellar Dwellers, Miss Muk-Luk Mardil Gies 1964, Judy Lee Holmes, Mayor Fowler, Councillor Stewart, Dr. Cuts, and I am sure many more.

We would also like to express our thanks to the Committee who, from some 30 contestants, chose our daughter, Corinne, as Miss St. Albert of 1980. We know she was made the happiest 7 year old in St. Albert and probably in all of Alberta on Saturday and that this is an event she will remember for many years, especially in 1980.

It is our hope that the splendid program the Recreation Board has begun this year can be maintained throughout the summer. The tour of Fort Mounson was very appropriately held during Klondike Week and we are sure was particularly interesting because of this timing. The trip to the Queen Elizabeth Planetarium proved to be of interest to all, even the small pre-schoolers. Good Luck!

Arts and crafts play part of the program, sports and group games are encouraged and promoted, drama and music play an important role, and special events such as trips or special playground themes are daily occurrences on the playground. Children can exercise their imagination while playing in a safe supervised area. Why don't you send your children - - - better yet come with them.

RODEO 104

ST. ALBERT AUGUST 13 - 14

ST. ALBERT KINSMEN RODEO 104

A spokesman for the St. Albert Kinsmen advises that arrangements for the re-scheduling of Rodeo 104 have been completed.

As in June, when heavy rains caused the postponement of St. Albert's first annual rodeo, Mr. Reg Kesler, one of Canada's top Rodeo Producers, will be on hand with his fine head of rodeo stock. In August, Kesler will be bringing with him one of North America's top Rodeo Clowns and Bullfighters, Ken Bowen. Hailing from south of the border, Bowen along with his "Old Grey Mare" is sure to entertain young and old alike with his clown acts.

Paying St. Albert a return visit will be Rodeo Announcer, Bill Holt and his charming wife, Ramona, who will act as Rodeo Secretary. The Holts will be arriving here from their H Bar R Ranch near Missoula, Montana. A top announcer is a must for a good rodeo and with Bill Holt, who announced 18 separate rodeo performances over the July 4th weekend in the States, St. Albert will have one of the best.

It is understood that all of the local organizations who were going to participate in the ill-fated June venture will be on hand for August 13th and 14th and you are urged to give them your support.

The August rodeo will be complete in every way and will feature a Midway especially for the children. This Midway

is owned and operated by Wally's Amusements of St. Albert and will include seven or eight children's rides.

As in June, the St. Albert Community League will be sponsoring dances at the Community Hall both Friday and Saturday nights. It is hoped to have the Klondike Drum and Bugle Band on hand for presentation of the award for the most Crowd Pleasing entry, which they won in the June 19th Parade.

The Kinsmen advise that they will be conducting a raffle for a \$1000.00 bill which will be drawn for at midnight, August 14th. Be sure you have a chance. You need not be present at the time of the draw to be eligible.

One of the highlights of the Rodeo will be the 16 page Souvenir Program which contains many interesting and entertaining articles including a history of St. Albert. Don't forget to get your copy. Mr. Doug Stewart who has taken on the responsibility of Grounds Chairman for the Kinsmen advises that the grounds will be in top shape for the August Rodeo and that all booths which were recently damaged are presently being repaired.

As a final reminder, Rodeo 104 is being held in commemoration of the founding, 104 years ago, of Alberta's Oldest Established Community. Let's all get out in our Western dress for "ST. ALBERT'S BIGGEST WEEKEND" and assure the success of Rodeo 104.

Have fun and see you at the Rodeo!
